ONLY GUARANTEED CATARRH CURE.

Hyomei Costs You Nothing if It Fails,
Say Rickert & Wells.

Among the many medicines upon the market that claim to cure catarrh, none but Hyomei has enough faith in its own merit to be willing to refund the money if it does not cure.

This remarkable remedy for catarrh kills the microbes and the germ of the disease and from its introduction has been sold under a positive guarantee to return the money to all dissatisfied customers. Rickert & Wells have sold thousands of Hyomei outfits in the last few years, and have had only two customers ask for a return of the money, which in every instance was promptly and cheerfully returned. They stand ready today to refund the price to anyone who is not helped by Hyomei.

The complete outfit costs \$1.00 and comprises an inhaler, a bottle of Hyomei and a dropper. The inhaler will last a lifetime, and additional bottles of Hyomei can be obtained for 50 cents.

Breathe Hyomei for a few minutes four times a day, and your catarrh will grow better from the first day's use, and will be completely cured in a short time.

Do not try to cure catarrh with ordinary stomach medicines. Breathe the healing Hyomei, which goes to every part of the air passages and respiratory organs, killing the catarrh germs and preventing their growth.

It is the only treatment for catarrh where you get your money back from a local dealer in case it does not help.

A Seasonable Suggestion

Soda Water

Is always "in season." Whether taken hot or cold it is a wholesome beverage provided the flavoring syrups are all right. Cold Soda drawn from our good fountain lacks nothing that could be desired by the most sensitive palate. We use only pure juices made direct from fresh fruits and can give varied flavors. Our "Cold Soda" is always cold.
